presents a talk by Janice McIntyre

The History of Dolls

Sunday, March 29 at 2 PM

Asa Whiting House - 547 Washington Street – Holliston

Please join us for a fun-filled walk down memory lane with a presentation of dolls from the mid-1800s through the 1960s. Janice McIntyre of Jenny Baby's Doll Hospital in Hopkinton will give a presentation on the history of dolls over six decades and discuss the way dolls were made and how that process changes over time. Janice has 20 years of doll repair/restoration experience and was featured on Chronicle on WCVB. She has collected dolls for as many years and loves to share them and their history.

Feel free to bring your special doll to share with everyone at the end of the presentation.

Free and open to the public. A social hour with refreshments will follow the talk. All are welcome!
